ecore[™] ATHLETIC

ECORE International proudly announces the launch of its new sports surfacing brand, Ecore Athletic. This product line

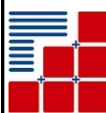

was developed in response to the growing imbalance between what an athlete is capable of and the related risk of injury. Ecore Athletic products bring a dynamic layer of suspension into sports surfacing that absorbs excessive shock instead of an athlete's body. The product offering includes everything from base layers for competitive courts, tracks, and turf fields to engineered solutions for a myriad of applications. [Read More.](#)

Consulting - Training - Inspections

Did you know??

- CRI Posts Model Specification for Commercial Carpet at www.carpet-rug.org. The guide details the characteristics and performance standards of different carpet and outlines the specifications for the many different types of commercial facilities.
- The U.S. Department of Labor Wage and Hour Division issued a proposed rule to implement Executive Order 13658, which would establish a minimum wage for federal contractors.

FCICA Mission & Vision:

"To provide a unique network for problem solving, education and support, to enhance our members' businesses and the flooring industry."

"FCICA shall be recognized by the floor covering design and construction industries as the commercial flooring contractors organization, providing the highest level of installation expertise, solutions and opportunities to network with industry experts."
